

August, 2022

Dear Customer,

We regret to inform you that in order to better concentrate our company resources, we have made the difficult decision to discontinue manufacturing and sales of our reagent products. This will take effect immediately.

We apologize for any inconvenience this may cause and we would like to express our deep gratitude for your business over the past years.

List of discontinued products

	Product #	Product	Details
Academia/Non-profit	MS0011-A	OriCiro Cell-Free Cloning System	5 reactions for assembly and 10 reactions for amplification
	MS0021-A	OriCiro Amp Kit	10 reactions for amplification
	MS0031-A	OriCiro Cell-Free Switching System	5 switching reactions
Corporate	MS0011-P	OriCiro Cell-Free Cloning PASS	5 reactions for assembly and 10 reactions for amplification and Internal R&D license
	MS0021-P	OriCiro Amp PASS	10 reactions for amplification and Internal R&D license
	MS0031-P	OriCiro Cell-Free Switching PASS	5 switching reactions and Internal R&D license

We will continue to offer technical support for the above products until the end of January 2023.

If you have any questions regarding this letter or for any other enquiries, please contact product@oriciro.com
